6		The four seasons		Then and Now	No world about us	
Upper KS2 Small Class		Greetings	Numbers	All about me	Days and dates  Pets and siblings	

### Note from Subject Leader

I am Miss Forlani and I am the subject leader for Spanish at Acre Hall. Over the coming year I will be visiting classes to look at the learning in Spanish. From October until May children will be taught Spanish by our Foreign Language Assistant.

I might talk to children about what they think about Spanish, I will look at work books and photographs of learning in Spanish. I will be talking to staff about activities we can plan in school to help your child with their learning in Spanish.

In some subjects the topics can be quite extensive so we often focus on only certain subjects that half term. The following half term the remaining subjects will be covered in detail. It is generally only History, Geography, Art/Design and Design Technology that are studied in this way. Core subjects such as English, Maths, Science, PE, PSHCE, Computing and RE will be covered every half term.

Topics may alter slightly depending on the learning needs of the class – please see class half term planners for more details.

Please contact me via the school office – telephone 0161 748 4356 or email [admin@acrehall.trafford.sch.uk](mailto:admin@acrehall.trafford.sch.uk) - if you have any resources or ideas that you feel will be useful to us.
