THE ACRE HALL NEWSLETTER

11th January 2019

This week's attendance = 97.6%

Mrs Moore's Class = 100%

Miss Forlani's Class have a Pirate Ship in their role play area...Aye Aye Captain!

Miss Cook's Class has been learning about capacity.

Mr Gillan's Class have been busy with 'Why Manchester is TOPic' with mosaic bees. Watch out for their @RealMancsy inspired work soon

Reverse Christmas Party

Hunter and Ruby helped organise a 'Reverse Christmas Party' during the holiday. Everyone who attended was asked to bring a present rather than expect to be given a present. All the presents were donated to a local hospital and the photo below shows staff (in seasonal costumes) receiving the presents. Well done to all who organised the party and also those who kindly donated presents so that children who were in hospital on Christmas day received a gift.

Milk For Pupils

We are making some changes to how we provide milk to those pupils entitled to free milk during the school day. Letters explaining this will be sent home in the next few weeks. The changes are to reduce wastage and ensure any children who wish to have milk each day are able to have it.

After School Clubs

Our after school clubs start again next week and last throughout the Spring term (up to the Easter holiday). Messages and emails were sent home earlier this week asking for parents to reply if they would like a space for their child to attend. You will have received a text today if your child has been allocated a place. If you do not receive a text today then a place is not available. These clubs are very popular but occasionally a space becomes available during the term. If you missed the deadline for applying but would still like a place, please contact the school office and they will add your name to a waiting list then contact you if a space becomes available.

Attendance

All schools are tasked with monitoring the attendance of their pupils. This takes place on a daily basis to ensure that all pupils are safe and accounted for and also over longer periods of time to identify any pupils who have high absence levels. School needs to be kept informed of any issues that may affect a child's attendance and parents are respectfully asked to make an appointment with Mrs Green – Well Being Advisor – at the earliest opportunity, to explain any issues. School may ask for doctor letters or appointment cards so that we can evidence this.

In order for pupils to learn well they need to be at school every day and in school on time every day. We need your help with this. We respectfully ask all parents to take the following steps to ensure their child has good attendance and help us to monitor attendance;

Only keep children off school if they are very unwell. A slight cough or snuffle can usually be managed by lots of tissues and a dose of pain killer given before school. If children need an additional dose at lunchtime, school is able to do this if parents complete a medicines form at the school office.

If a child has sickness and diarrhoea, he/she they must be off school for 48 hours after the last occurrence. If a child is sick once with no diarrhoea, please phone school for advice as it may be possible to allow your child in school.

If your child is very unwell and therefore not able to attend school, it is essential that you phone the school office before 9am to leave an absence message. Please give your child's name, class and tell us what is wrong. We need to be phoned each day that a child is off ill. If we do not hear from parents, we have to keep ringing home and all other contacts until we know the child is safe. Sometimes if we can't get to speak to anyone, we ask the Education Welfare Officer to call that day to check that all is well.

Trafford Sunrise

Mental Health and Wellbeing Parent Workshops

- Are you a parent based in the Trafford area with a child aged 5-12 years?
- Would you like some advice, information, and resources to support your child?
- Want to meet other parents facing similar issues?

Our parent workshops aim to help you to support your child regarding anxiety, bullying, behavioural problems and other emotional health and wellbeing topics.

No booking required!

We encourage parents to attend the full workshop to gain the most benefit.
