

TOGETHER

THE ACRE HALL NEWSLETTER

22nd February 2019

This week's attendance = 96.1%

Miss Cook's Class and Mr Stevenson's Class = 100%

Our Art Ambassadors met with other children from across the Trust yesterday—exchanging ideas and looking at work produced.

Mr Stevenson's Class had an exciting trip to Chester yesterday—visiting the Dewa Museum and dressing up as Roman soldiers!

Mr Gillan's Class have received a lovely letter from the Real Mancs—encouraging our children with their art work.

New Prospectus

We have recently updated our school prospectus on our website. Parents of children who attend our Small Specialist Classes will find some further information about class routines and the curriculum followed along with more specialist information. To access any of this information please log on to www.acrehall.trafford.sch.uk and look under the 'About Us' tab. On here you will find both the school prospectus and the Small Specialist Classes prospectus. We will be adding more information here over time. We hope that parents find both prospectuses useful and informative.

Healthy Selfie

We would like to put a 'Healthy Selfie' section on our PE board promoting and celebrating the active lifestyles some of our children are leading outside of school.

We are also hoping this may lead to establishing some more links to local clubs.

If any child is interested, they need to bring in a picture of themselves competing and a typed up or hand-written description of what it is they do. (EYFS children can be written/typed by parents!)

If they haven't got any photos of competition, they can bring in one of them in their kit or with trophies/certificates.

TOGETHER

THE ACRE HALL NEWSLETTER

Cool Milk

We will be starting this scheme on 4th March. From that date all pupils who are currently under 5 will receive a free portion of milk per day. This is paid for by the government and parents do not need to do anything until their child reaches his/her 5th birthday. Once children are 5 years old, they will only be given a daily portion of milk free of charge if he/she is entitled to pupil premium funding

(you will have had a letter before the half term break informing you if your child is entitled to Pupil Premium funding. This funding is dependent on family income and is paid to schools directly from the government.)

If your child is not entitled to pupil premium funding, if he/she would like milk this has to be paid for once he/she is 5 years old or over. Parents do this directly to 'Cool Milk'. School do not take this money. Parents have to log on to www.coolmilk.com to register their child and pay for milk or can get a form from our school reception to register their child by post. It costs around £14 per term – dependent on length of term etc – for a daily portion of milk. If your child is over 5 and entitled to pupil premium funding and you received a letter telling you this just before the half term holiday, he/she is entitled to a portion of milk daily at no cost to you. School will use some of our pupil premium money to fund this. You will however need to return the slip to us which was at the bottom of the pupil premium entitlement letter sent to you before the half term break.

City Centre Ministries

We received a letter from Steve and Irene Brown this week who run City Centre Ministries Manchester. We collected hats, scarves, gloves and other warm clothing to support their work with the homeless in Manchester.

Dear Friends at Acre Hall Primary School

We just want to thank you so much for the amazing donations of clothes and other things. They are just what we needed and will be so welcomed by those we hand them over to. It is a joy to be able to give out warm clothes and things when the weather is so cold. What you have collected will give that extra bit of comfort that these people so desperately need and deserve.

Kind Regards

Steve and Irene Brown

Trafford Sunrise

Mental Health and Wellbeing Parent Workshops

- Are you a parent based in the Trafford area with a child aged 5-12 years?
- Would you like some advice, information, and resources to support your child?
- Do you want to meet other parents facing similar issues?

Our parent workshops aim to help you to support your child regarding anxiety, bullying, behavioural problems and other emotional health and wellbeing topics.

No booking required!

We encourage parents to attend the full workshop to gain the most benefit.
