This week's attendance = 93.97%

Miss Thake's Class = 98.95%

Some of the children from Year 4 and Year 5 enjoyed a cooking session on Tuesday with a lady from #KiddyCook HQ. The children made their own pizza and dough balls as this was their prize for winning a rugby tournament they attended in the summer term. The children learnt about how pizza can be healthy when using the right ingredients.

**Breaktime Snacks**—All of our Early Years and KS1 pupils receive a healthy snack at morning break from the government's 'Fruit for Schools' scheme. KS2 pupils are encouraged to also bring a healthy snack to eat. This should be something separate from their lunchtime meal. Healthy snacks can include; Any fruits or vegetables (dried or fresh), Breadsticks, cheese, hummus, savoury crackers etc . Please don't send sweet biscuits, chocolate bars, breakfast bars (these have a very high sugar content), fruit chews (fruit winders) or crisps etc We thank parents for their co-operation.

**Get Set Eat Fresh!** - We are now collecting the 'Get Set Eat Fresh' tokens from Aldi. These are given when £30 or more is spent at Aldi. School can exchange tokens for sports kit and can also be entered in to a prize draw for £20 000 to be spent on sport in school. Please send any tokens in to school with your child.

**Saturday Cross Country Running** - Cross country running events will start soon at John Leigh Park, Altrincham. This is open to all children from KS2. Mr Williams will be at the park entrance from 9.30am with school running vests to put on over sportswear. Pupils will also need to wear trainers. Race starts at 9.45. This is great way to start a Saturday morning keeping fit.

**After Acres**—the after school provision enjoyed the sunshine this week—with outdoor activities. For anyone interested in a place—please contact Jo Stretton by emailing [jostret@gmail.com](mailto:jostret@gmail.com)

### WOW Scheme

We are delighted to inform parents that we have been successful in gaining funding to run a 'WOW' project this school year in conjunction with 'Living Streets'. <https://www.livingstreets.org.uk/>

The charity 'Living Streets' promote walking every day for fitness and good health. All parents will know that we have been concerned for some time about the number of cars parked around school and we want to do all that we can to encourage our pupils and their families to walk to school. We understand that for some people this is not possible but ask that if you do live far away and have to travel by car, then you park away from school and walk for the last 5 minutes of the journey ( this is known as 'park and 'stride' ). Similarly if you travel by bus we ask that you 'hop off' at a stop one before your usual point so that you are walking the last 5 mins to school. The WOW scheme enables children to record how they get to school and if they include walking/cycling/scooting at some point in their journey, at least once a week, then they will get a free badge at the end of each month. This scheme starts on Monday next week.

There is a different badge to collect each month. All badges are made from recycled plastic and designs are based on the theme of 'Technology.'
