YOUNG VOICES

Our school choir started learning a new set of songs last September in readiness for taking part in the 2020 Young Voices event. Yesterday evening our choir joined with 8,500 other school children to perform at The Manchester Arena. They sang with a professional musicians and even accompanied singing stars Ruti (winner of The Voice 2018), country singing duo The Shires and the eighties singer Tony Hadley. It was an amazing event and gave our pupils the opportunity to perform in a world class venue. We appreciate the support of parents in helping children learn the songs and also attending on the evening. There are some videos of the event on our school twitter account.

PARENTS EVENING

Parents Evening will take place after the holiday and we will be sending a letter home on Monday with details about timings etc. Please look out for this and return reply slips as soon as possible.

Nursery have been learning the art of Chinese numbers and extending our super hero play with capes and head bands.

Miss Forlani's class—"It's a big pool and its got a slide that they can slide down". "This is a diving board they can jump off and land in the pool"

Amazing architecture Rudy and Daniel!

We were very impressed with our Yr 5 sports leaders planning and teaching our KS1 small class.

They were all brilliant!
