

We have done a good job staying at home and social distancing.

Some children have been learning at home, but now it is time to return to school.

School will open for everyone on Monday 8<sup>th</sup> March 2021.

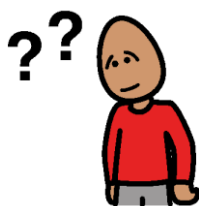

We will all be washing our hands and using sanitising gel.

Many of the adults will be wearing masks and we have made school as safe as it can be.

You may be feeling worried or have some questions to ask.

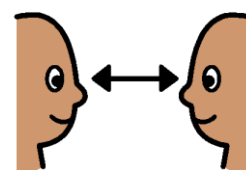

Please talk to adults about how you are feeling.

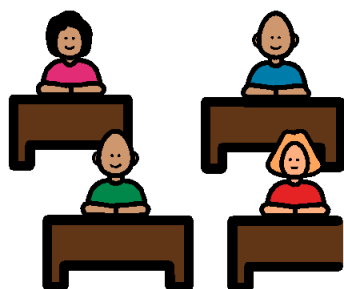

Your teachers will keep you safe.

It will be good to see your friends again.

It will feel good to get back into the classroom.

We are so excited about being together again and are pleased that you are coming back to school. See you soon!
