School Photographs

Class photographs will be taken on Wednesday 14th July. Small proof copies will be sent out before the end of term along with instructions on how to order. If your child normally wears his/her PE kit on Wednesday due to sports sessions, please send him/her in to school wearing normal uniform along with PE kit for changing in to after the photograph has been taken.

Monday 12th July—normal start time

Whilst we appreciate that many people will enjoy the England football match on Sunday evening, school will start at the normal time on Monday morning.

Art sessions

A letter about art sessions during the last week of term has been sent via email to all families—a paper copy will be sent next week. We ask no more than 2 adults per child for each session and that social distancing between families is maintained during the sessions.

School Meals

If your child usually has a school meal please log in to the EVOLVE system before 9pm on Sunday evening so that you can order meals for the week. If you have any problems doing this please contact the school office and let staff know by 9am on Monday morning.

School Uniform

We have been asked to remind parents that Monkhouse—our uniform supplier—will be operating an appointment system over the summer. Parents can book a slot by copying and pasting the link below in to their browser bar.

A full list of Acre Hall uniform requirements can be found on our website under the 'For Parents' tab. Please note that it is only the school jumpers/cardigans and school ties which can not be purchased elsewhere—these items are only available at Monkhouse. Parents can purchase polo shirts, tracksuits and PE T-shirts either with the school logo (only available from Monkhouse) or without the school logo (available from all major supermarkets).

Sun to come?

Whilst the weather the last few weeks has been quite changeable, sunnier weather has been predicted starting in the middle of next week and going on in to the last week of school.

It would be helpful if ;

Children can bring a hat and/or sunglasses to school to wear during breaks—nothing expensive or very precious. Please make sure all items are named. Children should have a plastic—preferably refillable—bottle of plain water with them at all times. Pieces of fruit can be added if needed. Please do not send the purchased flavoured waters as we can not replace these during the day. Plain water can be replaced as needed throughout the day.

An application of sun cream before school will usually be sufficient for children but if needed they can bring small tube (named please) which they can apply themselves.

Football Success

We were delighted to hold our first inter school football matches this week after 16 months of not being able to play.

We played against Elmridge

Primary with both our girls team and boys team winning their games.

All covid safety measures were in place and the children really enjoyed themselves.
